

THE TALENT HUB ATTAINMENT SYSTEM

THE SYSTEMS MODEL MAP

Targeted Population

SYSTEM STAGES: LEARNER JOURNEY	STAGE NAME	STAGE NAME	STAGE NAME	STAGE NAME	STAGE NAME
Stage Description or Guiding Principles					
STAKEHOLDERS					
Program-Management Efficient, large-scale, repetitive service					
Problem-Solving Effective, individualized, complex service					
Systems-Building Design and coordination of the underlying system of service					
SYSTEMS-BUILDING					
Who else could we engage or what roles may be missing to improve how the stage delivers service?					
What could we improve within the stage to increase attainment? What are the equity implications?					
What shared metrics or indicators might we use to measure the performance of the stage?
