

## NCII Rural Pathways Project

### Institute 3: Connection to College and Connection to Programs: The Role of the Institution and Community Stakeholders

#### Team Session #4 – February 10, 2023

#### Introduction

Use this team time to begin working on this activity at the institute; after the institute, engage relevant campus stakeholders to further discuss and fully complete the prompts. **Submit all completed team time documents to Sarah Cale at [sarah@ncii-improve.com](mailto:sarah@ncii-improve.com) by March 17<sup>th</sup>.**

#### Key Learning and Next Steps

- 1. Identify (a) the major takeaways from this institute and (b) related next steps** to integrate your learning with your college’s guided pathways (re)design and implementation. We encourage you to identify a discrete number of meaningful action steps that will help move the needle on your college’s project goals and outcomes and that you can reasonably execute in the coming 4-6 months.

The NCII team will work with you to monitor your progress against these action items between institutes.
