About Diablo Valley College

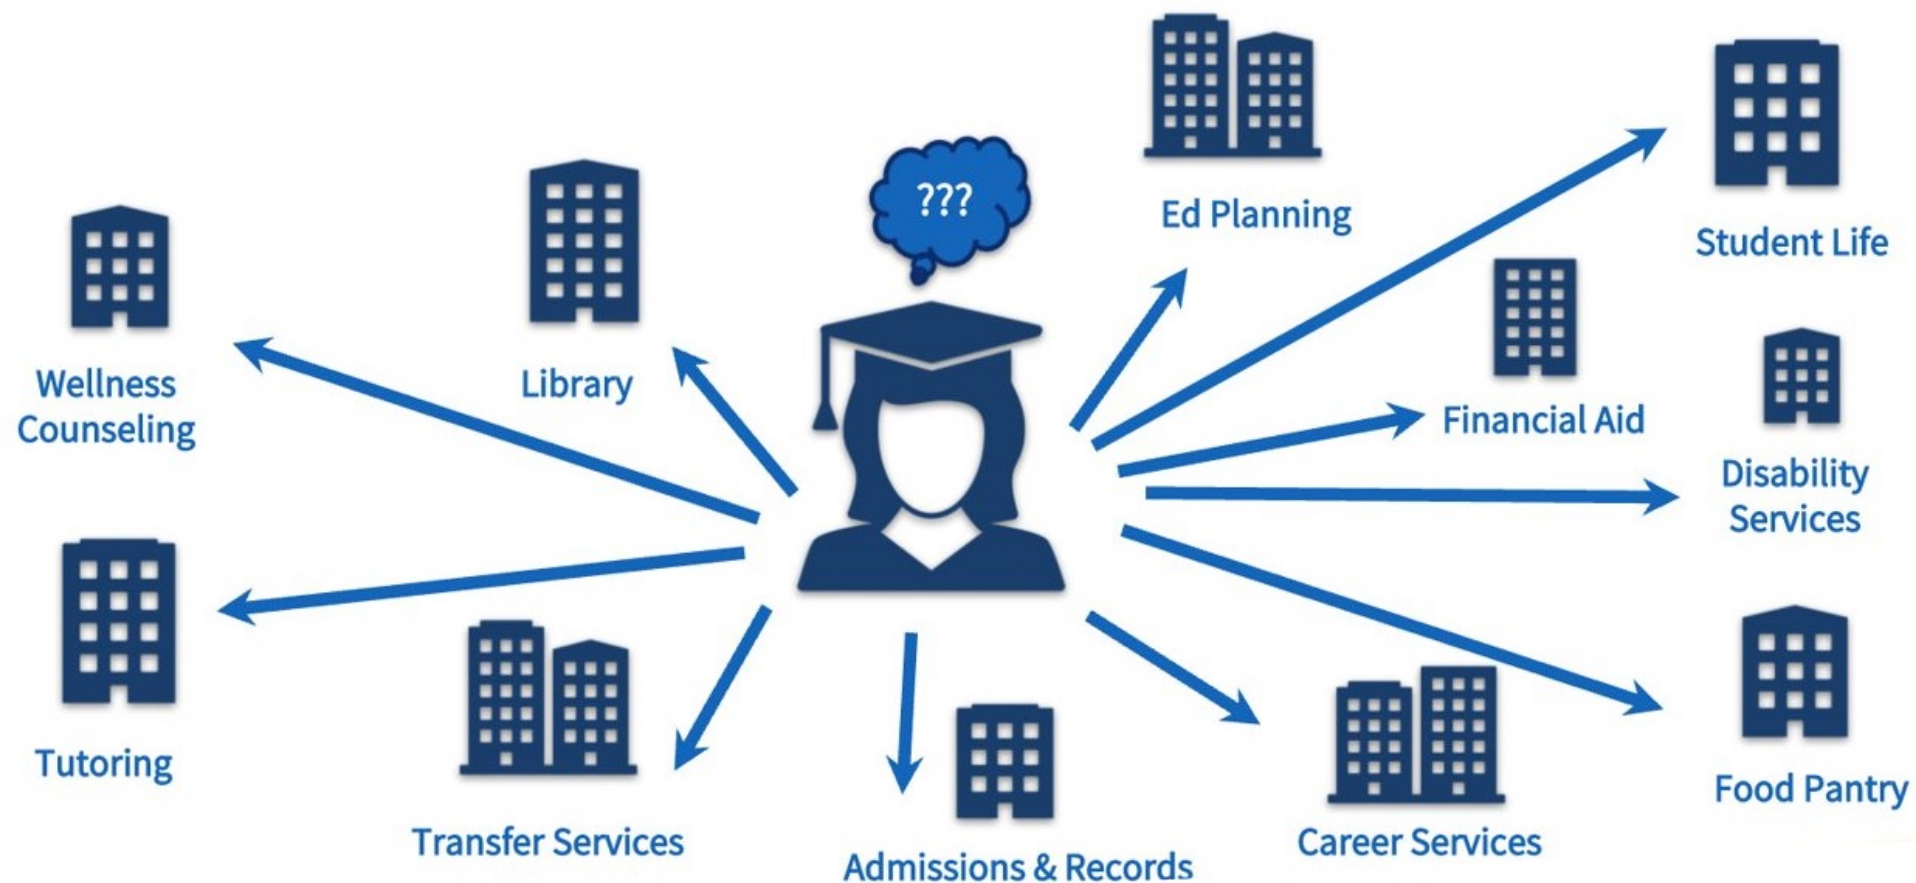

- Part of the Contra Costa Community College District, with campuses in Pleasant Hill and San Ramon.
- Between its two campuses, DVC serves more than 22,000 students each term with a wide variety of program options.

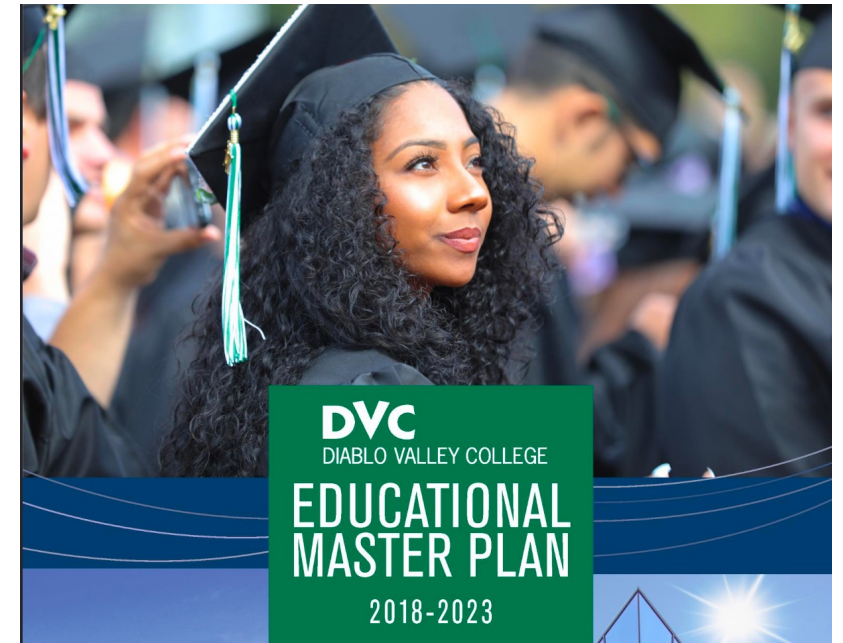

Like most colleges, we had an issue with silos...

This put a burden on students...

We needed a new model...

How we scaled up....

Cultural & Structural Change

Huge institutional reorganization around meta-majors/interest areas identified through guided pathways work.
