- c.
- d.

4. Review the case studies developed by CCRC individually and then respond to the discussion questions as a team.

5. During the session on June 15th, all colleges will participate in a cross-college workshop focused on problem solving an implementation issue. These sessions will be facilitated by the pathways coaches. Please select from one of the following areas for your session and let your coach know the decision at the close of the team time session today:

- a. Faculty engagement in onboarding
- b. Integrating career assessment into the onboarding process
- c. Extending the onboarding process into the high school
- d. Effectively providing students enough information about programs and careers so they can make an informed decision about program choice in the first term
